Risk Management Plan

At Rally Drive we pride ourselves on taking you for an **adrenalin pumping experience** as well as an **extremely safe experience.** Your safety is our number one priority; the track and the cars have been specially designed with this in mind.

1: A detailed **briefing session** given by our expert on safety, control, vehicles and track. Certificate 4 approved trainers and all instructors hold an international CAMs license.

2: Tyres - special rally tyres CAMs approved.

3: Bonnet pins – secondary bonnet locking system.

4: A **purpose built track**, with plenty of space and banks built on the inside of the track to stop the car, if you do lose control.

5: Roll cage: structural integrity for driver protection - FIA and CAMs approved.

6: Several **safety automobiles** to assist you if needed.

7: Specialty racing seats - FIA and CAMs standard approved.

8: Cones to guide you through the correct and safest path.

9: A team of qualified **Rally Drive Marshalls** waiting to assist you at trackside.

10: Five-point safety harness.

11: Safety helmet - CAMs and Australian standard approved.

12: Fire retardant suit - CAMs approved.

13: Fire extinguisher in every car and placed at various points around the track.

14: Personal in **car coach/co-driver** – in car instruction to ensure you get the most out of the experience as well as stay safe - all instructors hold an international CAMs license.

15: Full **First Aid Kit**, Level 2 Certificate First Aid attendant.
