Welcome to

LE MONTAGE

Set amongst picturesque views of Iron Cove Bay, stands the luxurious and perfect resort styled venue, Le Montage. Boasting six magnificent event rooms, this venue is perfect for intimate boutique styled events or grand gala celebrations. Le Montage is prestige in presence and features an alluring blend of style which is perfect for your wedding day. Le Montage is one of six highly award properties owned by Navarra Venues; Conca D'oro, Curzon Hall, Oatlands House, CBD Collection and the newly acquired Eschol Park Manor.

HISTORY

Resting on the shores of Iron Cove Bay, a well known Italian sporting club known as the APIA CLUB became available in 1996 due to club hardships. This location was a historic landmark within the greater Italian community. Brothers Giovannino and Sal Navarra saw this is an opportunity to expand the Navarra Venue collection. Against the advice of many who thought the risk too high for the millions of dollars it took, Giovannino and Sal pursued their dreams and fulfilled their vision, creating a magnificent waterfront oasis, setting a precedent and a new level within the hospitality industry.

OUR MISSION
