

LINDENDERRY
AT RED HILL

MORE THAN A CONFERENCE VENUE

When it opened 25 years ago Lindenderry at Red Hill blazed a trail that hundreds if not thousands have eagerly followed since. It was one of the first boutique hotels in Australia to satisfy a growing appetite for food and wine experiences, as well as for conferences or events in spectacular regional locations. Within easy reach of Melbourne CBD, the combination of stress-free planning, critically acclaimed cuisine and flexible, contemporary meeting spaces will make Lindenderry a natural choice for your next business event.
