

Staying connected has never been so important!

At PARKROYAL Parramatta we are here to help and have three new virtual meeting packages to allow you to keep up to date, stay connected and run business as normal during these challenging times.

Virtual Connect

This package is designed to provide you with the perfect backdrop to host a webinar whilst needing a quiet space away from distractions.

Virtual Meetings

This package allows you to re-connect with your team within a dedicated boardroom and the facilities to help you host that professional virtual meeting.

Virtual Studio Conference

This is our premium package that helps you impress the wider audience in a dedicated conference room turn studio.

We hope that if you choose to meet virtually now or in the future, that PARKROYAL Parramatta will remain your preferred choice.
